Please provide us a copy of your insurance card so that we can complete a complementary insurance verification to check for stipulations your policy places on your care. We will bill your health, automotive, or workers compensation insurance companies dependent on your source of injury. **It is your responsibility to inform us of any changes to your policy. Failure to notify us of changes to your insurance may result in denials and charges will become your responsibility.**

INSURANCE MAXIMUMS

INITIALS

Most insurances have a set maximum number of visits and/or a max dollar amount that they will pay towards your chiropractic treatment each year. Our primary focus is to take care of you and your health condition. We do our best to help you spend your healthcare dollars wisely and effectively. We treat our patients, not your insurance company. If recommended treatment of your condition goes beyond your insurance company's maximum for the year, we will try to notify you of it as soon as we know. Be aware that when we bill your insurance company, it can take up to 45-60 days to get a response from your insurance. **Please be advised that any treatment accrued during this lag time will be your responsibility. You are responsible for tracking your maximums.** If you have concerns about the maximums allowed by your insurance company, we encourage you to call Kim in our Insurance Department. Kim is available Tuesday through Friday from 8 AM - 5 PM at the toll free number of 866-367-6147. If she is not available when you call, please leave her a message and she will call you back.
